CINE NORTH

AUTUMN MENU 2026

How do you think your cinema contributes to your community?

Provides a monthly event that people find both entertaining and sociable. We also support the local pub with audience members bringing drinks and pizzas from there.

- Great Asby Village Hall

How do you think your cinema contributes to your community?

It's an important regular event in our village hall, a chance for people to meet and chat, and have a shared experience.

- Croglin Village Hall

How do you think your cinema contributes to your community?

We are a small village so it enables us to come together as community, ensure inclusivity and offer a warm space to meet neighbours and escape from daily life for a few hours

- Newholm Village Hall

Do you have any anecdotes of the contribution your cinema makes to your community?

One person said to me - "i do not worry much about what film you show, I come for the social aspect"

- Cononley Village Hall

Do you have any anecdotes of the contribution your cinema makes to your community?

It's more a general thing that we've become part of village life. We have been "adopted" by a few couples from neighbouring villages who sadly don't have a village cinema so luckily come to ours! We also give all surplus funds to the village hall which is one of the most vital hubs we have.

- Bampton Memorial Hall
