

# TENDER FOR AMAZING CATERER AT THE NORTH'S NO. 1 CINEMA EVENT...

## PICNIC CINEMA'S RENOWNED WITHNAIL & I SCREENING AT UNCLE MONTY'S COTTAGE!

### THE BRIEF

We are looking for the caterer to supply an exceptional and exciting vegetarian meal option and a vegan meal option each night to our audience. It needs to be filling, well presented and warming on what can be a cold summers night under the stars. If possible, we would love to have a tasty stew on the menu for our audience.

You would need to feed 120 people between 7.00 - 8.00pm over a Friday & Saturday night in July 2024.

### DATES

JULY 2024 (more info to be confirmed in due course)

### ACCESS

Sleddale Hall is very remote. Access to the site is 2 miles via a single track road. The catering site up at the hall is accessed via a gravel track road which is incredibly steep and uneven in places, therefore not suitable for a large catering van. A catering set up which is under a temporary structure/gazebo is best option with a car/small van.

### LOGISTICS

There is mains power supply for catering, additional power requirements would have to be negotiated.

You will need to provide your own lighting.

You can camp in the campsite overnight.

### SUSTAINABILITY

We are looking to make our event as sustainable as possible, please let us know what you are doing in order to make your catering more sustainable in your tender.

### TO TENDER FOR THIS OPPORTUNITY

Please submit a brief resume, references, menu options, pictures, details of your stand/set up and contact details.

Please note we have a set price of £8.00 per head included in our event ticket price.

Please send your tender to [connie@edenarts.com](mailto:connie@edenarts.com)

Picnic Cinema regularly features in UK top 10 outdoor cinema lists in national press and has a following of 13K on Facebook. For more information go to [www.picniccinema.co.uk](http://www.picniccinema.co.uk)
